Preamble, Trust Deed & Committee Formation

Acharya Institute of Technology Innovation & Entrepreneurship Development Cell (IED-Cell)

Preamble:

The Institutional Innovation & Entrepreneurship Development Cell at Acharya Institute of Technology is dedicated to cultivating an entrepreneurial spirit among students, faculty, and the broader community. It serves as a platform for aspiring entrepreneurs to transform their ideas into viable startups by offering guidance, mentorship, networking, and resources. The IED-Cell fosters innovation, creativity, and business acumen, encouraging individuals to take the leap from ideation to enterprise creation.

Functions and Objectives:

Figure: Function & Objective

1. The IED-Cell aims to instill a culture of entrepreneurship within the institution, encouraging students to think beyond traditional career paths and explore opportunities in the world of startups and business ventures.

2. The IED-Cell organizes regular workshops, seminars, and boot camps focused on entrepreneurial skills such as business planning, financial management, product development, marketing strategies, and pitching to investors.
3. Experienced entrepreneurs, industry professionals, and faculty provide mentorship to budding entrepreneurs, helping them refine their business ideas, avoid common pitfalls, and create sustainable business models.
4. The IED-Cell offers incubation support, providing early-stage startups with access to resources like workspace, infrastructure, technical assistance, legal advice, and networking opportunities with industry partners and investors.
5. To foster innovation, the IED-Cell regularly hosts competitions like business plan contests, hackathons, and innovation challenges. These events provide students with a platform to showcase their ideas and receive valuable feedback from experts.
6. The IED-Cell facilitates connections with venture capitalists, angel investors, startup incubators, and successful entrepreneurs. Networking events and pitch sessions are organized to help startups find investors and collaborators.
7. The IED-Cell regularly organizes entrepreneurial summits, guest lectures, panel discussions, and conferences, where successful entrepreneurs share their experiences and insights with students.
8. The IED-Cell collaborates with industry bodies, government agencies, and other academic institutions to provide additional support and opportunities for aspiring entrepreneurs. These collaborations often include joint initiatives, funding opportunities, and policy advocacy for startups.
9. The IED-Cell organizes awareness programs aimed at introducing students to the concept of entrepreneurship, the benefits of starting a business, and the support available to them through the E-Cell.
10. Special focus is given to promoting women entrepreneurship, providing female students with resources, mentorship, and opportunities to lead and launch their ventures.

Initiative by IED-Cell:

1. A platform for startups to present their businesses to investors, mentors, and potential customers, helping them gain exposure and traction in the market while conducting Hackathon & Technical Events.
2. An informal student club within the IED-Cell that facilitates regular discussions, brainstorming sessions, and peer support for entrepreneurial activities on campus.
3. One-on-one or group sessions with mentors to validate business ideas, ensuring that they are feasible, scalable, and aligned with market needs during MSME Idea Submission and Selection.

IEDC Roles & Responsibilities:

1. IEDC Member Secretary:

- a. Responsible for setting the strategic direction and vision of the IEDC to foster an entrepreneurial culture within the institution.
- b. Oversee all IEDC activities, including startup support programs, innovation challenges, and collaboration with industry partners.
- c. Establish and maintain relationships with industries, government bodies, venture capitalists, and other stakeholders to facilitate funding, mentorship, and incubation opportunities.
- d. Manage financials and prepare regular reports on the progress and impact of IEDC activities to submit to institutional leadership and external funding bodies (e.g., DST, AICTE).
- e. Offer guidance and support to student entrepreneurs, helping them with business development, market research, and access to resources.
- f. Lead and coordinate events such as workshops, hackathons, seminars, and guest lectures aimed at developing entrepreneurial skills among students.

2. Faculty Members:

- a. Guide students on the technical and business aspects of their startup ideas, helping them refine their innovations and align them with market needs.
- b. Conduct training sessions, workshops, and seminars on entrepreneurship, innovation, and specific technologies to empower students with the necessary skills.

- c. Assess the feasibility and potential of student projects, offering constructive feedback and identifying areas for improvement.
- d. Assist students in conducting relevant market research, patent filings, and publication of research papers, supporting the commercialization of their ideas.
- e. Facilitate connections with industry experts, successful entrepreneurs, and alumni to help students gain access to a broader entrepreneurial network.
- f. Collaborate with the IPR Cell to help students protect their intellectual property by guiding them through the patent filing process, trademark registration, and copyright issues.

General Responsibilities of the IEDC:

- a. The IEDC's primary role is to nurture and support entrepreneurial talent within the institution, encouraging students to turn their ideas into business ventures.
- b. The IEDC must remain focused on promoting innovation, whether through technology-driven solutions, social entrepreneurship, or novel business models.
- c. The IEDC manages and allocates grants or funding from government bodies such as the Department of Science & Technology (DST), MSME or private partners, ensuring that deserving projects receive the financial support they need.

The IEDC at Acharya Institute of Technology plays a pivotal role in supporting entrepreneurship and innovation among students and faculty. By facilitating a conducive environment for innovation, providing mentorship and resources, and building strong industry partnerships, the IEDC helps aspiring entrepreneurs turn their ideas into sustainable, impactful businesses.

Subject:- Implementation of the E.S.I. Act, 1948 and Registration of Employees of the Factories and Establishments under Section 1(5) of the Act, as amended.

Dear Sir(s),

1. It is informed that under section 1(3) of the esi. act, 1948 is applicable to all factories/establishments covered under the act within the area where your factory/establishment is situated
2. It is further informed that the appropriate government has extended the provisions of the act to other establishments under section 1(5) of the act in this area
3. Under section 2 a of the act such a factory/establishment is required to register itself under the act and chapter iv thereof casts a responsibility on the principal employer thereof to get his employees registered and pay contributions in respect of these employees covered under the act.
4. On the basis of the particulars in respect of your factory/establishment submitted by you, the report of the inspection conducted by the Social Security Officer, who inspected your establishment on -NA-, your establishment falls within the purview of Section 1(5) of the Act with effect from 06-04-2021. In case, however, subsequent facts reveal that your establishment was coverable from a date prior to the date mentioned above, you shall make yourself liable to comply with the provisions of the Act from such earlier date.
5. It is requested to take immediate steps for registration of your employees by submitting declaration forms online, payment of contribution, maintenance of records etc. from the date of coverage of your factory/establishment under the act. **You are also requested to submit employer's registration form (form 01) as required under the provisions of sec.2-a of the esi act , 1948 read with regulation 10-b of the esi(general), regulations, 1950.
6. For the sake of convenience your establishment has been allotted code No **53000551640000305** which may kindly be used in all communications sent to this office and on all forms at the place indicated for the purpose. The Branch Office of the Corporation situated at **ESI Dispensary Building, Kasturba Nagar, Mysore Road, Bangalore** has been instructed to render necessary assistance to you in connection with registration of your employees. In case you find any difficulty or for any other purpose which may be necessary in connection with the Scheme you are requested to contact the Manager of the above Branch Office who will render necessary help in the matter.
7. A State wise list of ESI Dispensaries is available on our website www.esic.nic.in under the link Directories which can be downloaded. It is requested that publicity may be given about the Employees' State Insurance Dispensaries to enable your employees to choose their E.S.I. Dispensaries

Greetings Acharyan,

A three day workshop Entrepreneurship Awareness camp was organised for Diploma final year students. The program was attended by students from Mechanical Engineering, Electrical & Electronics Engineering and Computer Science Engineering.

The program was sponsored by Department of Science and Technology, NSTEDB in association with Acharya Institute of Technology.

The program was packed with expert talks on various aspects to become a successful entrepreneur followed by Activities, Group discussion, etc.

The students participated enthusiastically in all the sessions of the program and expressed their happiness.

National Science and Technology Entrepreneurship Development Board - Department of Science and Technology – National Implementing and Monitoring Agency for Training sponsored three days training program on Entrepreneurship Awareness Camp (from 22nd February 2019 to 25th February 2019) was organized by Department of Mechanical Engineering- Acharya Institute of Technology Bengaluru. The event was organized by chief coordinators Prof. H Pakkappa and Prof. R Shadakshari, Department of Mechanical Engineering. Faculty coordinators Prof. Nagaraj K C and Prof. Raju M G, Department of Mechanical Engineering, are responsible for making this event successful and memorable. They are assisted by a committee of eleven student coordinators.

Objective of the Program: Engineering education has advanced globally over the past two decades in terms of scientific, technological and commercial applications. The students of professional courses have been showing interest in becoming entrepreneurs. The challenges of industry, market, customer and opportunity are the challenges for new entrants to the field of entrepreneurship. Therefore this training camp addresses some of these issues and builds upon confidence in budding engineers to take up these challenges and become successful entrepreneurs.

Topics covered: Introduction to Entrepreneurship, Project preparation, financial procedures/policies, Setting up of Industries, Market Trends & feasibility, Successful entrepreneurship, Industrial visit.

The camp was inaugurated on 22nd February 2019 by Sri Dr. Raman Gujaral, Head, South Zone, EDII Bengaluru and presided by Dr. Prakash M R, Principal, Acharya Institute of Technology. Around 100 students of final year 8th semester have attended this entrepreneurship awareness camp. The session was hosted by Ms. Kavya R, student coordinator. Mr. Mohan P, student coordinator welcomed the Chief Guests Dr. Raman Gujaral, Dr. Prakash M R, Principal, Dr. Prakash S Dabeer, Head of the Department, Mechanical Engineering and all the student participants. Dr. Raman Gujaral addressed the students about starting of the industry, opportunities available by the Govt. of India and Karnataka.

He also had an interaction with the students who have urge to become entrepreneur and the association of PIA with various industries. He motivated the students to take up entrepreneurial activity so that they can become self-employed as well as they can extend employment to the others. Principal Dr. Prakash M R mentioned about the Entrepreneurship programs which was organized since last four years and also the plans for the programs in the upcoming years. Also he talked about the various schemes launched by the current Prime Minister, Sri Narendra Modi, such as start-up India, Mudra Yojana, Skill India etc. Head of the Department Dr. Prakash S Dabeer motivated the students for Entrepreneurship. After that Mr. Karthikeyan, student coordinator delivered vote of thanks to the dignitaries and participants.

Program started with speaker Dr. Raman Gujaral, Head South Zone, EDII, Bengaluru. He briefed about the opportunities as young entrepreneur and challenges to be faced. He explained about the enterprises like Flipkart, Uber and Ola and how they became successful. He quoted that "One can become a successful entrepreneur only when he starts thinking like an entrepreneur."

In the afternoon industrialist Prof. Balepur Bhagwan shared his experience on entrepreneurship. He explained about the impact of world politics on entrepreneurship and self-employment. He gave advice on when and how to start. He suggested some start-up ideas and where to approach for that.

On 23rd S N Rangaprasad, former director, MSME, mainly briefed about what is MSME and introduced list of DC-MSME schemes such as Credit guarantee fund for micro and small scale enterprises, Zero Effect Zero Defect, Cluster development program, Credit linked Capital subsidy, Design clinic etc.

H V Anandamoorthy, Consultant MSME, explained about present status of MSME's in Karnataka. He mainly concentrated on how to get registered for Udyog Aadhar which has no fee for registration, no documents required and one can file more than one Udyog Aadhar.

On 25th Sri Nagendran, Aerospace Throttle System, cleared many doubts raised by the students about start-ups, funding etc.

Sri Santosh Kumar U, ETA Technologies, Bangaluru, briefed about the main things an entrepreneur should have like patience, learning, risk, leadership etc. that motivated all the participants.

Valedictory function of the event was held on February 25, 2019 at 3:00 PM for the successful completion of 3 days Entrepreneurship Awareness Camp. The function was hosted by Ms. Kavya R. and the welcome address given by Ms. Shubhashree V, Student Coordinator. Mr. Mohan P summarized the whole 3 days event. Dr. Divakar Goli, Campus Director, Acharya Institutes, delivered the presidential speech in which he insisted on how to become successful Entrepreneur. His all words of wisdom radiated a source of energy within all the participants. The session became very glorious by the presence of Chief Guest Sri Santosh Kumar U, ETA Technologies, Bangaluru. Another chief guest Sri Venkateshwaralu, Principal, Vinayak Mission College of Pharmacy, encouraged about the entrepreneurship with their motivational talk. Dignitaries awarded certificates to student coordinators who gave their support for the

successful completion of the event. Finally Mr. Raghavendra V Bhat, student coordinator delivered the final vote of thanks for all the dignitaries and personnel who are responsible for successful completion of the event.

As a part of this event industrial visit was organized to Bharat – Fritz – Werner, Peenya, Bangaluru, on March 2, 2019. BFW is India's largest machine tool builder since 1961. Around 25 students attended this industrial visit. The visit was very much informative and participants gained the knowledge about various machine tools such as HMC, VMC and TCM and also the various processes involved in manufacturing of these tools.
